Fat Bottomed Girls - Queen

Aaaaaare you gonna take me home tonight?
Aaaaah down beside that red firelight
Aaaaare you gonna let it all hang out?
Fat bottomed girls, you make the rockin' world go round

I was just a skinny lad, Never knew no good from bad
But I knew life before I left my nursery
Left alone with big fat Fanny, She was such a naughty nanny
Heap big woman you made a bad boy out of me

I've been singing with my band, Across the wire across the land
I seen ev'ry blue eyed floozy on the way
But their beauty and their style, Went kind of smooth after a while
Take me to them dirty ladies every time

Ohhhhh won't you take me home tonight?
Ohhhhh down beside your red fire--light
Ohhhhh and give it all you got
Fat bottomed girls You make the rockin' world go round
Fat bottomed girls You make the rockin' world go round

Now your mortgages and homes, I got stiffness in the bones
Ain't no beauty queens in this locali--ty (I tell you)
Oh but I still get my pleasure
Still got my greatest treasure
Heap big woman you made a big man of me

Oh won't you take me home tonight?
Oh down beside that red fire--light
Oh you gotta let it all hang out
Fat bottomed girls You make the rockin' world go round yeah!
Fat bottomed girls You make the rockin' world go round

GET ON YOUR BIKES AND RIDE!

YMCA - Village People

(Introduction)

Young man, there's no need to feel down.
I said, young man, pick yourself off the ground.
I said, young man, 'cause you're in a new town
There's no need to be unhappy.

Young man, there's a place you can go.
I said, young man, when you're short on your dough.
You can stay there, and I'm sure you will find
Many ways to have a good time.

It's fun to stay at the Y-M-C-A. It's fun to stay at the Y-M-C-A.
They have everything that you need to enjoy, You can hang out with all the boys ...

It's fun to stay at the Y-M-C-A. It's fun to stay at the Y-M-C-A.
You can get yourself clean Forget, you can have a good meal You can do whatever you feel

Young man, are you listening to me?
I said, young man, what do you want to be?
I said, young man, you can make real your dreams.
But you've got to know this one thing!

No man does it all by himself.
I said, young man, put your pride on the shelf,
And just go there, to the Y.M.C.A.
I'm sure they can help you today.

It's fun to stay at the Y-M-C-A. It's fun to stay at the Y-M-C-A.
They have everything that you need to enjoy,
You can hang out with all the boys ...

It's fun to stay at the Y-M-C-A. It's fun to stay at the Y-M-C-A.
You can get yourself clean Forget, you can have a good meal
You can do whatever you feel ...

Y-M-C-A
and just go to the Y-M-C-A
young man, young man I was once in your shoes
young man, young man I was down with the blues

Get Lucky - Daft Punk

(Introduction)

Like the legend of the phoenix, all ends with beginnings
What keeps the planet spinning? Ah. The force of love beginning

We've come too far to give up who we are
So let's raise the bar and our cups to the stars

She's up all night 'til the sun, I'm up all night to get some
She's up all night for good fun, I'm up all night to get lucky
We're up all night 'til the sun, we're up all night to get some
We're up all night for good fun, we're up all night to get lucky
We're up all night to get lucky, we're up all night to get lucky
We're up all night to get lucky, we're up all night to get lucky

(Instrumentally Bit)

The present has no ribbon, your gift keeps on giving
What is this I'm feeling? If you wanna leave I'm with it

We've come too far to give up who we are
So let's raise the bar and our cups to the stars

She's up all night 'til the sun, I'm up all night to get some
She's up all night for good fun, I'm up all night to get lucky
We're up all night 'til the sun, we're up all night to get some
We're up all night for good fun, we're up all night to get lucky
We're up all night to get lucky, we're up all night to get lucky
We're up all night to get lucky, we're up all night to get lucky

(Instrumentally Bit)

We've come too far to give up who we are
So let's raise the bar and our cups to the stars

She's up all night 'til the sun, I'm up all night to get some
She's up all night for good fun, I'm up all night to get lucky
We're up all night 'til the sun, we're up all night to get some
We're up all night for good fun, we're up all night to get lucky
We're up all night to get lucky, we're up all night to get lucky
We're up all night to get lucky, we're up all night to get lucky

Kids In America - Kim Wilde

Looking out a dirty old window
Down below the cars in the street go rushing by.
I sit here a-lone and I wonder why.

Friday night and everyone's moving, I can feel the heat but it's soothing
Heading down. I search for the beat in this dirty town.
Downtown the young ones are going, Downtown the young ones are growing

We're the kids in A-merica (whoa-oh), We're the kids in A-merica (whoa-oh)
Everybody live for the music-go--round

Bright lights the music get faster.
Look boy, don't check on your watch, not another glance.
I'm not leaving now, honey not a chance.

Hot-shot, give me no problems, Much later baby you'll be saying never mind.
You know life is cruel, life is never kind.
Kind hearts don't make a new story, Kind hearts don't grab any glory.

We're the kids in A-merica (whoa-oh)
We're the kids in A-merica (whoa-oh)
Everybody live for the music-go—round
La La La La La La La, La La La La La La Say
La La La La La La La, La La La La La La

Come closer, honey that's better.
Got to get a brand new experience. Feeling right.
Oh don't try to stop baby.
Hold me tight.

Outside a new day is dawning.
Outside Suburbia's sprawling everywhere.
I don't want to go baby.
New York to East California.
There's a new wave coming I warn you.

We're the kids in A-merica (whoa-oh), We're the kids in A-merica (whoa-oh)
Everybody live for the music-go—round
La La La La La La La, La La La La La La Say
La La La La La La La, La La La La La La
(break)

We're the kids, We're the kids, We're the kids in America
We're the kids, We're the kids, We're the kids in America

Take Me Home, Country Roads - John Denver

Almost heaven, West Virginia
Blue ridge mountains, Shenandoah river
Life is old there, older than the trees
Younger than the mountains, blowing like a breeze

Country roads, take me home
To the place , I belong
West Virginia, mountain momma
Take me home, country roads

All my memories, gather 'round her
Miner's lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine, teardrop in my eye

Country roads, take me home
To the place , I belong
West Virginia, mountain momma
Take me home, country roads

I hear her voice, in the mornin' hours she calls me
The radio reminds me of my home far away
And drivin' down the road I get a feeling'
That I should have been home yesterday, yesterday

Country roads, take me home
To the place , I belong
West Virginia, mountain momma

Take me home, country roads
Take me home, down country roads
Take me home, down country roads

Make Me Smile (Come Up and See Me) - Steve Harley and Cockney Rebel

You've done it all, you've broken every code
And pulled the Rebel to the floor (bababababababa)
You've spoilt the game, no matter what you say
For only metal, what a bore
Ooooh (Blue eyes), la la la (blue eyes)
Ooooh (How can you) (tell) la la la, (so many) (lies) ooooh?

Come up and see me, make me smile
I'll do what you want, running wild

There's nothing left, all gone and run a- -way
Maybe you'll tarry for a while? (bababababababa)
It's just a test, a game for us to play
Win or lose, it's hard to smile
Ooooh (Resist), (resist) la la la
Ooooh (It's from your) (self) la la la, (you have to) (hide) ooooh.

Come up and see me, make me smile
I'll do what you want, running wild

(break)

There ain't no more, you've taken everything
From my belief in Mother Earth (bababababababa)
Can you ig- -nore, my faith in everything
Cos I know what faith is, and what it's worth
Ooooh (Away), (away) la la la
Ooooh (And don't say) (maybe, you'll) (try) ooooh.

Come up and see me, make me smile
I'll do what you want, running wild

Ooh- -ooh, la la la
Ooh- -ooh, la la la
Oooooohhhhhh (bababababababa)

Come up and see me, make me smile
I'll do what you want, running wild

Take Your Mama - Scissor Sisters

When you grow up, Livin' like a good boy oughta
And your mama, Takes a shine to her best son
Something different, All the girls, they seem to like you
Cause you're handsome, Like to talk, and a whole lot of fun

But now your girl's gone a missin', And your house has got an empty bed
The folks'll wonder 'bout the wedding, They won't listen to a word you said

Gonna take your mama out all night, Yeah, we'll show her what it's all about
We'll get her jacked up on some cheap champagne, We'll let the good times all roll out

And if the music ain't good, well it's just too bad, We're gonna sing along no matter what
Because the dancers don't mind at the New Orleans, If you tip 'em and they make a cut

Do it, Take your mama out all night
So she'll have no doubt, That we're doing all the best we can

Gonna do it, Take your mama out all night
You can stay up late, 'cause baby you're a full grown man

It's a struggle, Livin' like a good boy oughta
In the summer, Watchin' all the girls pass by
When your mama, Heard the way that you'd been talking
I tried to tell you, That all she'd wanna do is cry

Now we end up takin' the long way home,
Lookin' overdressed wearin' buckets of stale cologne
It's so hard to see streets on a country road
When your glasses in the garbage, And your Continental's just been towed

Gonna take your mama out all night, Yeah, we'll show her what it's all about
We'll get her jacked up on some cheap champagne, We'll let the good times all roll out

And if the music ain't good, well it's just too bad, We're gonna sing along no matter what
Because the dancers don't mind at the New Orleans, If you tip 'em and they make a cut

Do it, Take your mama out all night
So she'll have no doubt, That we're doing all the best we can

Gonna do it, Take your mama out all night
You can stay up late, 'cause baby you're a full grown man

Under The Bridge - Red Hot Chili Peppers

(Introduction)

Sometimes I feel like I don't have a partner
Sometimes I feel like my only friend
Is the city I live in the City of Angels
Lonely as I am together we cry

I drive on her streets 'cause she's my companion
I walk through her hills 'cause she knows who I am
She sees my good deeds and she kisses me windy
I'll never worry, now that is a lie

I don't ever wanna feel like I did that day
Take me to the place I love take me all the way
I don't ever wanna feel like I did that day
Take me to the place I love take me all the way

(Yay yeah yeah)
It's hard to believe that there's nobody out there
It's hard to believe that I'm all alone
At least I have her love, the city she loves me
Lonely as I am together we cry

I don't ever wanna feel like I did that day
Take me to the place I love take me all the way
I don't ever wanna feel like I did that day
Take me to the place I love take me all the way

Y-ay Yay, yeah yeah
Oh no no no yeah yeah
Love me I say yeah yeah
One time

Under the bridge downtown Is where I drew some blood
Under the bridge downtown I could not get enough
Under the bridge downtown Forgot about my love
Under the bridge downtown I gave my life away

Y -ay Yay, yeah yeah
Oh no no no no yeah yeah
Oh no I say yeah yeah
{spoken} Will I stay?

Can't Feel My Face - The Weeknd

And I know she'll be the death of me, at least we'll both be numb
And she'll always get the best of me, the worst is yet to come
But at least we'll both be beautiful and stay forever young
This I know, (yeah) this I know

She told me, "Don't worry about it.", She told me, "Don't worry no more."
We both knew we can't go without it, She told me you'll never be alone-oh-oh, whoa

I can't feel my face when I'm with you, But I love it, but I love it, oh
I can't feel my face when I'm with you, But I love it, but I love it, oh

And I know she'll be the death of me, at least we'll both be numb
And she'll always get the best of me, the worst is yet to come
All the misery was necessary when we're deep in love
Yes, I know (yes I know), girl, I know

She told me, "Don't worry about it.", She told me, "Don't worry no more."
We both knew we can't go without it, She told me you'll never be alone-oh-oh, whoa

I can't feel my face when I'm with you, But I love it, but I love it, oh
I can't feel my face when I'm with you, But I love it, but I love it, oh

I can't feel my face when I'm with you, But I love it, but I love it, oh
I can't feel my face when I'm with you, But I love it, but I love it, oh

She told me, "Don't worry about it.", She told me, "Don't worry no more."
We both knew we can't go without it, She told me you'll never be alone-oh-oh, whoa

I can't feel my face when I'm with you (said I can't feel my face)
But I love it, (but I love it) but I love it, oh (yeah I love it)
I can't feel my face when I'm with you (I can't feel my face)
But I love it, (but I love it) but I love it, oh (yeah I love it)

I can't feel my face when I'm with you (said I can't feel my face)
But I love it, (but I love it) but I love it, oh (yeah I love it)
I can't feel my face when I'm with you (I can't feel my face)
But I love it, (but I love it) but I love it, oh (yeah I love it)

Tainted Love - Soft Cell

(Introduction)

Sometimes I feel I've got to
Run a-way I've got to, Get a-way
From the pain that you drive in-to the heart of me

The love we share
Seems to go no-where
And I've lost my light
For I toss and turn I can't sleep at night

Once I ran to you (I ran)
Now I'll run from you
This tainted love you've given
I give you all a boy could give you
Take my tears and that's not nearly all
Oh... tainted love Oh, oh, oh, Tainted love

Now I know I've got to
Run a-way I've got to, Get a-way
You don't really want it any more from me

To make things right
You need some-one to hold you tight
And you'll think love is to pray
But I'm sorry I don't pray that way

Once I ran to you (I ran)
Now I'll run from you
This tainted love you've given
I give you all a boy could give you
Take my tears and that's not nearly all
Oh... tainted love Oh, oh, oh, Tainted love

Don't touch me please
I cannot stand the way you tease
I love you though you hurt me so
Now I'm going to pack my things and go
Tainted love, Oh, oh, Tainted love, Oh, oh
Touch me baby, tainted love, Touch me baby, tainted love
Tainted love, Oh, oh, Tainted love, Oh, oh

I'm So Excited - The Pointer Sisters

(Introduction)

Tonight's the night we're gonna make it happen
Tonight we'll put all other things aside
Give in this time and show me some affection
We're goin' for those pleasures in the night

I want to love you feel you, wrap myself around you
I want to squeeze you please you
I just can't get enough
And if you move real slow, I'll let it go

I'm so excited, And I just can't hide it
I'm about to lose control and I think I like it
I'm so excited
And I just can't hide it, And I know I know I know, I know I want you, want you

We shouldn't even think about tomorrow
Sweet memories will last a long, long time
We'll have a good time baby don't you worry
And if we're still playin' around boy that's just fine

Let's get excited, We just can't hide it (No, no, no)
I'm about to lose control and I think I like it
I'm so excited And I just can't hide it, And I know I know I know, I know I want you,

(break)

I want to love you feel you, wrap myself around you

Don't You Want Me - Human League

(Introduction)

You were working as a waitress in a cocktail bar
When I met you
I picked you out, I shook you up, and turned you around
Turned you into someone new
Now five years later on you've got the world at your feet
Success has been so easy for you
But don't forget it's me who put you where you are now
And I can put you back down too

Don't, don't you want me?
You know I can't believe it when I hear that you won't see me
Don't, don't you want me?
You know I don't believe you when you say that you don't need me
It's much too late to find
You think you've changed your mind
You'd better change it back or we will both be sorry

Don't you want me baby? Don't you want me oh
Don't you want me baby? Don't you want me oh

I was working as a waitress in a cocktail bar
That much is true
But even then I knew I'd find a much better place
Either with or without you
The five years we have had have been such good times
I still love you
But now I think it's time I lived my life on my own
I guess it's just what I must do

Don't, don't you want me?
You know I can't believe it when I hear that you won't see me
Don't, don't you want me?
You know I don't believe you when you say that you don't need me
It's much too late to find
You think you've changed your mind
You'd better change it back or we will both be sorry

Don't you want me baby? Don't you want me oh
Don't you want me baby? Don't you want me oh

Common People - Pulp

She came from Greece she had a thirst for knowledge
She studied sculpture at Saint Martin's College
That's where I caught her eye
She told me that her Dad was loaded
I said "In that case I'll have a rum and coca-cola."
She said "Fine." and then in thirty seconds time she said

I want to live like common people
I want to do whatever common people do
I want to sleep with common people
I want to sleep with common people like you
Well what else could I do?
I said "I'll see what I can do."

I took her to a supermarket,
I don't know why but I had to start it somewhere
So it started there.
I said pretend you've got no money,
She just laughed and said, "Oh you're so funny."
I said "yeah?"
Well I can't see anyone else smiling in here.
Are you sure

You want to live like common people
You want to see whatever common people see
You want to sleep with common people
You want to sleep with common people like me
But she didn't understand
she just smiled and held my hand

Rent a flat above a shop
Cut your hair and get a job.
Smoke some fags and play some pool
Pretend you never went to school
But still you'll never get it right
Cuz when you're laid in bed at night
Watching roaches climb the wall
If you call your Dad he could stop it all, yeah

You'll never live like common people
You'll never do what common people do
You'll never fail like common people
You'll never watch your life slide out of view
And dance and drink and screw
Because there's nothing else to do

[Instrumentally bit]

Sing along with the common people
Sing along and it might just get you through
Laugh along with the common people
Laugh along even though they're laughing at you
And the stupid things that you do
Because you think that poor is cool.

Like a dog lying in the corner
They'll bite you and never warn you
Look out they'll tear your insides out
Cuz everybody hates a tourist
Especially one who thinks it's all
Such a laugh and the chip stains' grease will come out in the bath
You will never understand how it feels to live your life
With no meaning or control and with nowhere left to go
You are a-mazed that they exist
And they burn so bright whilst you can only wonder why

Rent a flat above a shop
Cut your hair and get a job.
Smoke some fags and play some pool
Pretend you never went to school
But still you'll never get it right
Cuz when you're laid in bed at night
Watching roaches climb the wall
If you call your Dad he could stop it all, yeah

You'll never live like common people
You'll never do what common people do
You'll never fail like common people
You'll never watch your life slide out of view
And dance and drink and screw
Because there's nothing else to do
I want to live with common people like you (x6)

Roar - Katy Perry

(Introduction)

I used to bite my tongue and hold my breath, Scared to rock the boat and make a mess
So I sat quietly, agreed politely, I guess that I forgot I had a choice
I let you push me past the breaking point, I stood for nothing, so I fell for everything

You held me down, but I got up (hey!), Already brushing off the dust
You hear my voice, you hear that sound, Like thunder, gonna shake the ground
You held me down, but I got up, Get ready 'cause I've had enough
I see it all, I see it now

I got the eye of the tiger, a fighter, dancing through the fire
'Cause I am a champion and you're gonna hear me roar
Louder, louder than a lion
'Cause I am a champion and you're gonna hear me roar
Ohh oh-oh-oh-oh ohh, ohh oh-oh oh-oh ohh
Ohh oh-oh-oh-oh ohh, you're gonna hear me roar

Now I'm floating like a butterfly, Stinging like a bee I earned my stripes
I went from ze-ro, to my own he-ro, You held me down, but I got up
Already brushing off the dust, You hear my voice, you hear that sound
Like thunder, gonna shake the ground, You held me down, but I got up
Get ready 'cause I've had enough
I see it all, I see it now

I got the eye of the tiger, a fighter, dancing through the fire
'Cause I am a champion and you're gonna hear me roar, Louder, louder than a lion
'Cause I am a champion and you're gonna hear me roar
Ohh oh-oh-, ohh oh- ohh Ohh oh, you're gonna hear me roar
Ohh oh-oh-, ohh oh-oh ohh (you'll hear me roar)
Ohh oh-oh-oh-oh ohh, you're gonna hear me roar

(Break)

Tik Tok - Ke\$ha

Wake up in the morning feeling like P. Diddy
Grab my glasses I'm out the door, I'm going to hit this city
Before I leave, brush my teeth with a bottle of Jack
Cause when I leave for the night, I ain't coming back

I'm talking pedicure on our toes, toes
Trying on all our clothes, clothes
Boys blowing up our phones, phones
 Drop top and playing our favourite CDs
Pulling up to the parties
Trying to get a little bit tip..sy...

Don't stop, make it pop DJ, blow my speakers up
Tonight, I'm a fight 'Til we see the sun light
Tick tock, on the clock But the party don't stop no
Woah-oh oh oh, Woah-oh oh oh

Don't stop, make it pop DJ, blow my speakers up
Tonight, I'm a fight 'Til we see the sun light
Tick tock, on the clock But the party don't stop no
Woah-oh oh oh, Woah-oh oh oh

Ain't got a care in world, but got plenty of beer
Ain't got no money in my pocket, but I'm already here
Now, the dudes are lining up cause they hear we got swagger
But we kick 'em to the curb unless they look like Mick Jagger

I'm talking 'bout everybody getting drunk, drunk
Boys tryin' to touch my junk, junk
Gonne smack him if he getting too drunk, drunk
 Now, we go until they kick us out, out
Or the po-lice shut us down, down
The pod-lice shut us down, down
The po-po shut us dow-nn...

Don't stop, make it pop DJ, blow my speakers up
Tonight, I'm a fight 'Til we see the sun light
Tick tock, on the clock But the party don't stop no
Woah-oh oh oh, Woah-oh oh oh

Don't stop, make it pop DJ, blow my speakers up
Tonight, I'm a fight 'Til we see the sun light
Tick tock, on the clock But the party don't stop no
Woah-oh oh oh, Woah-oh oh oh

DJ, You build me up
You break me down
My heart, it pounds
Yeah, you got me
With my hands up
You got me now
You got that sound
Yeah, you got me

You build me up
You break me down
My heart, it pounds
Yeah, you got me
With my hands up
Put your hands up
Put your hands up
Now, the party don't start 'til I walk in

Don't stop, make it pop DJ, blow my speakers up
Tonight, I'm a fight 'Til we see the sun light
Tick tock, on the clock But the party don't stop no
Woah-oh oh oh, Woah-oh oh oh

Don't stop, make it pop DJ, blow my speakers up
Tonight, I'm a fight 'Til we see the sun light
Tick tock, on the clock But the party don't stop no
Woah-oh oh oh, Woah-oh oh oh, Don't stop.

Back For Good - Take That

I guess now it's time for me to give up, I feel it's time
Got a picture of you beside me got your lipstick mark still on your coffee cup, Oh Yeah
Got a fist of pure emotion Got a head of shattered dreams gotta leave it, gotta leave it all
behind now

Whatever I said, whatever I did I didn't mean it I just want you back for
good (Want you back, want you back, want you back for good)
Whenever I'm wrong just tell me the song and I'll sing it you'll be right and
understood (Want you back, want you back) I want you back for good

Unaware but underlined I figured out this story (no no) It wasn't good
(no no) But in the corner of my mind (corner of my mind) I celebrated
glory but that was not to be in the twist of separation you
excelled at being free can't you find a little room inside for me?

Whatever I said, whatever I did I didn't mean it I just want you back for
good (Want you back, want you back, want you back for good)
Whenever I'm wrong just tell me the song and I'll sing it you'll be right and
understood (Want you back, want you back) I want you back for good

And we'll be together, this time is forever
We'll be fighting and forever we will be so complete in our love we will
never be uncovered again

Whatever I said, whatever I did I didn't mean it I just want you back for
good (Want you back, want you back, want you back for good)
Whenever I'm wrong just tell me the song and I'll sing it you'll be right and
understood (Want you back, want you back) I want you back for good

Whatever I said, whatever I did I didn't mean it I just want you back for
good (Want you back, want you back, want you back for good)
Whenever I'm wrong just tell me the song and I'll sing it you'll be right and
understood (Want you back, want you back) I want you back for good

I guess now it's time that you came back for good

A Little Respect - Erasure

(Introduction)

I try to discover, a little something to make me sweeter,
Oh baby refrain, from breakin' my heart,
I'm so in love with you. I'll be forever blue,
That you gimme no reason,
Why you're making me work so hard,

That you gimme no that you gimme no,
That you gimme no that you gimme no soul,
I hear you calling "Oh baby please,
Give a little respect to me

And if I should falter, would you open your arms out to me?
We can make love not war and live at peace with our hearts
I'm so in love with you. I'll be forever blue
What religion or reason,
Could drive a man to forsake his lover

Don't you tell me no don't you tell me no
Don't you tell me no don't you tell me no soul,
I hear you calling "Oh baby please,
Give a little respect to me

(Break)

I'm so in love with you. I'll be forever blue,
That you gimme no reason,
Why you're making me work so hard,

That you gimme no that you gimme no,
That you gimme no that you gimme no soul,
I hear you calling "Oh baby please,
Give a little respect to me
I hear you calling "Oh baby please,
Give a little respect to me.....

Somebody Told Me - The Killers

Breaking my back just to know your name
Seventeen tracks and I've had it with this game
I'm breaking my back just to know your name
But heaven ain't close in a place like this
Anything goes but don't blink you might miss
'Cause heaven ain't close in a place like this
I said heaven ain't close in a place like this

Bring it back down, Bring it back down tonight, hoo hoo
Never thought I'd let a rumour ruin my moonlight

Well somebody told me you had a boyfriend, Who looked like a girlfriend
That I had in February of last year, It's not confidential, I've got potential

Ready? Let's roll onto something new
Taking its toll and I'm leaving without you
'Cause heaven ain't close in a place like this
Heaven ain't close so don't blink you might miss
'Cause heaven ain't close in a place like this
I said heaven ain't close in a place like this

Bring it back down, Bring it back down tonight, hoo hoo
Never thought I'd let a rumor ruin my moonlight

Well somebody told me you had a boyfriend, Who looked like a girlfriend
That I had in February of last year, It's not confidential, I've got potential
A rushin', a rushin' around

Pace yourself from me, I said maybe, baby please
But I just don't know now, When all I wanna do is try.....

Well somebody told me you had a boyfriend, Who looked like a girlfriend
That I had in February of last year, It's not confidential, I've got potential
A rushin', a rushin' around

Well somebody told me you had a boyfriend
Who looked like a girlfriend
That I had in February of last year
It's not confidential, I've got potential
A rushin', a rushin' around

Well somebody told me you had a boyfriend, Who looked like a girlfriend
That I had in February of last year, It's not confidential,
I've got potential, A rushin', a rushin' around

Livin' on a Prayer - Bon Jovi

Tommy used to work on the docks,
Union's been on strike, he's down on his luck,
It's tough. So tough.
Gina works the diner all day,
Workin' for her man, she brings home her pay
For love. Ooo for love.

She says, we've gotta hold on to what we've got,
It doesn't make a difference if we make it or not
We've got each other, and that's a lot for love.
We'll give it a shot.

Whoa Oh we're half way there,
Oh oh, livin' on a prayer,
Take my hand and we'll make it I swear
Oh oh, livin' on a prayer.

Tommy's got his six-string in hock,
Now he's holdin' in, well they used to make him talk
So tough. Oh it's tough.
Gina dreams of running away.
When she cries in the night Tommy whispers,
Baby it's ok, someday.'

We've gotta hold on to what we've got,
It doesn't make a difference if we make it or not
We've got each other, and that's a lot for love.
We'll give it a shot.

Whoa Oh we're half way there,
Oh oh, livin' on a prayer,
Take my hand and we'll make it I swear
Oh oh, livin' on a prayer.
Livin' on a Pray-y-y-er . . .

(Kazoo Solo)

We've gotta hold on to what we've got,
It doesn't make a difference if we make it or not
We've got each other, and that's a lot for love.
We'll give it a shot.

Whoa Oh we're half way there,
Oh oh, livin' on a prayer,
Take my hand and we'll make it I swear
Oh oh, livin' on a prayer. Livin' on a Pray-y-y-er . . .

Kiss From A Rose - Seal

Duba dabu dubidub

Duba dabu dubidub

There used to be a greying tower alone on the sea.
You became the light on the dark side of me.
Love remained a drug that's the high and not the pill.
But did you know, That when it snows,
My eyes become large and the light that you shine can be seen.

Baby, I compare you to a kiss from a rose on the grey.
Ooh, the more I get of you, the stranger it feels
And now that your rose is in bloom.
A light hits the gloom on the grey.

Duba dabu dubidub

Duba dabu dubidub

There is so much a man can tell you, so much he can say.
You remain, my power, my pleasure, my pain,
Baby to me you're like a growing addiction that I can't deny.
Won't you tell me is that healthy, baby?
But did you know, that when it snows,
My eyes become large and the light that you shine can be seen.

Baby, I compare you to a kiss from a rose on the grey.
Ooh, the more I get of you, the stranger it feels
And now that your rose is in bloom.
A light hits the gloom on the grey.

(Instrumentally Bit)

I've been kissed by a rose on the grey
I've been kissed by a rose on the grey
I've been kissed by a rose on the grey
I've been kissed by a rose on the grey.

There is so much a man can tell you, so much he can say.
You remain, my power, my pleasure, my pain,

Yes, I compare you to a kiss from a rose on the grey.
Ooh, the more I get of you, the stranger it feels
And now that your rose is in bloom.
A light hits the gloom on the grey.
Now that your rose is in bloom

Reach - S Club 7

When the world, leaves you feeling blue
You can count on me, I will be there for you
When it seems, all your hopes and dreams
a million miles away, I will re-assure you

We've got to all stick together
Good friends, there for each other
Never ever forget that I've got you and you've got me, so..

Reach for the stars Climb every mountain higher
Reach for the stars Follow your heart's desire
Reach for the stars And when that rainbow's shining over you
That's when your dreams will all come true

There's a place waiting just for you
Is a special place where your dreams all come true
Fly away, swim the ocean blue
Drive that open road, leave the past behind you

Don't stop gotta keep moving
Your hopes have gotta keep building
Never ever forget that I've got you and you've got me, so

Reach for the stars Climb every mountain higher
Reach for the stars Follow your hearts desire
Reach for the stars And when that rainbow's shining over you
That's when your dreams will all come true

Don't believe in all that you've been told
The sky's the limit you can Reach your goal
No-one knows just what the future holds
There ain't nothing you can't be There's a whole world at your feet
I said reach

Climb every mountain (reach)
Reach for the moon (reach)
Follow that rainbow
And your dreams will all come true

Reach for the stars Climb every mountain higher
Reach for the stars Follow your heart's desire
Reach for the stars And when that rainbow's shining over you
That's when your dreams will all come true
Reach for the stars Climb every mountain higher
Reach for the stars Follow your heart's desire
Reach for the stars And when that rainbow's shining over you
That's when your dreams will all come true

Bat Out Of Hell - Meatloaf

[Intro]

The sirens are screaming and the fires are howling, way down in the valley tonight.
There's a man in the shadows with a gun in his eye,
And a blade shining, oh, so bright. There's evil in the air and there's thunder in the sky,
And a killer's on the bloodshot streets.
Oh, and down in the tunnel where the deadly are rising,
Oh, I swear I saw a young boy, Down in the gutter,
He was starting to foam in the heat.

Oh, Baby you're the only thing in this whole world, that's pure and good and right,
And wherever you are and wherever you go, there's always gonna be some light.
But I gotta get out, I gotta break it out now, Before the final crack of dawn.
So we gotta make the most of our one night together,
When it's over, you know, we'll both be so alone.

Like a bat out of hell, I'll be gone when the morning comes. When the night is over,
Like a bat out of hell I'll be gone, gone, gone.
Like a bat out of hell I'll be gone when the morning comes.
But when the day is done, and the sun goes down,
And the moonlight's shining through

Then like a sinner before the gates of heaven
I'll come crawling home back to you.

[Instrumentally bit]

I'm gonna hit the highway like a battering ram, on a silver black phantom bike,
When the metal is hot and the engine is hungry, and we're all about to see the light.
Nothing ever grows in this rotten old hole, everything is stunted and lost.
And nothing really rocks, and nothing really rolls, and nothing's ever worth the cost.

And I know that I'm damned if I never get out, and maybe I'm damned if I do,
But with every other beat I got left in my heart,
You know I'd rather be damned with you.
Well, if I gotta be damned, you know I wanna be damned,
Dancing through the night with you.
If I gotta be damned, you know I wanna be damned,
Gotta be damned, you know, I wanna be damned,
Gotta be damned, you know, I wanna be damned,
Dancing through the night, dancing through the night,
Dancing through the night with you.

[Instrumentally bit]

Oh, Baby you're the only thing in this whole world, that's pure and good and right,
And wherever you are and wherever you go, there's always gonna be some light.
But I gotta get out, I gotta break it out now,
Before the final crack of dawn.
So we gotta make the most of our one night together, when it's over, you know,
We'll both be so alone. — —

Like a bat out of hell, I'll be gone when the morning comes. When the night is over,
Like a bat out of hell I'll be gone, gone, gone.
Like a bat out of hell I'll be gone when the morning comes.
But when the day is done, and the sun goes down,
And the moonlight's shining through

Then like a sinner before the gates of heaven
I'll come crawling home back to you.

[Instrumentally bit]

Oh I can see myself tearing up the road, faster than any other boy has ever gone.
And my skin is raw but my soul is ripe, and no one's gonna stop me now, I gotta make my escape.
But I can't stop thinking of you, and I never see the sudden curve until its way too late.

[Instrumentally bit]

And I never see the sudden curve until its way too late.

Then I'm dying at the bottom of a pit in the blazing sun,
torn and twisted at the foot of a burning bike.
And I think somebody somewhere must be tolling a bell,
And the last thing I see is my heart still beating, still beating,
But breaking out of my body and flying away ,
Like a bat out of hell,
Like a bat out of hell,
Like a bat out of hell,
Like a bat out of hell

Delilah - Tom Jones

(Introduction)

I saw the light on the night that I passed by her window
I saw the flickering shadow of love on her blind
She was my woman
As she deceived me I watched and went out of my mind

My, my, my, Delilah
Why, why, why, Delilah
I could see, that girl was no good for me
But I was lost like a slave that no man could free

At break of day when that man drove away I was waiting
I crossed the street to her house and she opened the door
She stood there laughing
I felt the knife in my hand and she laughed no more

My, my, my, Delilah
Why, why, why, Delilah
So before they come to break down the door
Forgive me Delilah I just couldn't take any more

(break)

My, my, my, Delilah
Why, why, why, Delilah
So before they come to break down the door
Forgive me Delilah I just couldn't take any more
Forgive me Delilah I just couldn't take any more

Mr Brightside - The Killers

Coming out of my cage and I've been doing just fine
Gotta gotta be down because I want it all
It started out with a kiss how did it end up like this?
It was only a kiss it was only a kiss

Now I'm falling asleep and she's calling a cab
While he's having a smoke and she's taking a drag
Now they're going to bed and my stomach is sick
And it's all in my head but she's touching his chest now
He takes off her dress now let me go ...

An' I just can't look it's killing me, And taking control

Jealousy turning shapes in to the sea
Swimming through sick lullabies
Choking on your alibi
But it's just the price I pay
Destiny is calling me
Open up my eager eye--s
I'm Mr. Brightside

Total Eclipse of the Heart - Bonnie Tyler

TURN AROUND Every now and then I get a little bit lonely and you're never coming round.
TURN AROUND Every now and then I get a little bit tired of listening to the sound of my tears.

TURN AROUND Every now and then I get a little bit nervous that the best of all the years have gone by.

TURN AROUND Every now and then I get a little bit terrified and then I see the look in your eyes.

TURN AROUND, BRIGHT EYES Every now and then I fall apart.

TURN AROUND, BRIGHT EYES Every now and then I fall apart.

TURN AROUND Every now and then I get a little bit restless and I dream of something wild.

TURN AROUND Every now and then I get a little bit helpless and I'm lying like a child in your arms.

TURN AROUND Every now and then I get a little bit angry and I know I've got to get out and cry.

TURN AROUND Every now and then I get a little bit terrified but then I see the look in your eyes.

TURN AROUND, BRIGHT EYES Every now and then I fall apart.

TURN AROUND, BRIGHT EYES Every now and then I fall apart.

And I need you now tonight and I need you more than ever
And if you only hold me tight we'll be holding on forever.
And we'll only be making it right 'cause we'll never be wrong.
Together we can take it to the end of the line.
Your love is like a shadow on me all of the time.
I don't know what to do and I'm always in the dark.
We're living in a powder keg and giving off sparks.
I really need you tonight, forever's gonna start tonight,
Forever's gonna start tonight
Once upon a time I was falling in love but now I'm only falling apart.
There's nothing I can do, a total eclipse of the heart.

Once upon a time there was light in my life but now there's only love in the dark.
Nothing I can say, a total eclipse of the heart.
